Senior Dance Performance

In Week 4 we had our Senior Dance Performance "Eclectic" showcasing the talents of our students from years 7 to 12. Embracing elements from a variety of sources, students performed a range styles from many inspirations. Having a small cohort this year meant that they had to work hard to produce a high quality show. Our Year 9's performed a tap and contemporary piece to spoken word, Dixie Dell in year 10 performed with the Year 12's as well as two solos- one showing the grace and beauty of Sleeping Beauty.

Our students were supported by additional performances by One Body and old scholar Kiara Chester. Our Year 12's did an outstanding job with their various Chinese, Hip Hop, Contemporary and Disco items.

With all live performances, we could not have done it without the lighting and sound students Nathaniel Chang, John Whately and Liam Woodmoore. The use of new technology enabled them to create a lighting show that was timed exactly to complement the movement.

I thank and congratulate all those involved, including my support staff Kelly Anderson (Stage Manager), Faith Cahill and Shannalee Mulder.

SACSA Football Carnivals 2017

On Wednesday, 23 August, Week 5, Term 2, we sent two football teams out to the 8&9 Girls and Boys SACSA Football Carnival. Despite the rainy and cold weather, the year 8/9 students brought fierce competition. Their hard work was reflected in the results. The 8/9 boys placed 6th in their pool and the girls placed 4th in their pool. On Thursday the 24th, it was the Open team's day to compete in their carnival. Our Open students were blessed with far better weather than the Year 8/9 students were. Overall, it was an enjoyable, competitive and successful day. The Open boys placed 4th overall and the Open girls placed 5th overall.

Well done to all of the students who came out and participated in both carnivals. Thank you to the students for their willingness to share their God given talents and passions to represent Temple at the SACSA Football Carnivals this year.

Emily Hyde, P.E./Sports Coordinator

Congratulations On Friday, August 25, the equestrian team from both campuses attended the Eastern Fleurieu Interschool Gymkhana in Strathalbyn. Year 11 Sport and Rec Camp

On Tuesday of Week 4, the year 11 Sport and Rec class headed out on a 3-day hike in Deep Creek Conservation Park. We started at Cape Jervis and followed the Heyesen trail to finish at Tapanappa Campground on Thursday. Each day involved following steep trails along the coastline, within scrub areas and reserves. The aim of this camp was to put into action all the things we have learnt regarding mental strength and resilience. By practically putting these skills to use we had a greater understanding of what it means to employ these characteristics.

Each of us had to bring everything needed for our time away including, food, water, cooking utensils, clothes, a tent, and sleeping equipment. We practiced skills while on the hike like reading maps, setting up a tent, and cooking meals with a Trangia. We all had a turn at roles while walking like front and back marking ensuring we walked at a good pace while making sure we were walking together.

The camp allowed us to push our limits while also giving us the opportunity to learn skills about hiking and camping. I highly recommend this camp to anyone interested in camping and pushing themselves. It was great to spend time with other people in your year level and get to know them more. **Capri Montesi**

Prior to embarking on this unknown journey of steep hills, long paths and uneven surfaces, nerves decided to skyrocket inside my stomach, making me doubt my own capabilities and fear the difficulty of the camp. Contrarily to my belief, camp was 100% one of the best and incredible highlights of Year 11 so far. I strongly used both perseverance and resilience when times became challenging and managed to overcome any difficulties faced. There were many encounters throughout the camp which led me to push myself greatly, and at times I wanted to give up. Although the constant determination to push through, I never gave up and reflecting on our day at the end of each night, sitting around the camp fire was very beneficial and rewarding. I can categorically state that without the support and encouragement from teachers and other peers around me, I would have easily given up without a doubt. I highly recommend this camp to everyone, especially if they express interest in outdoor camping and hiking and I am positive that they will be beneficially pushed mentally and physically throughout the duration of the camp.
