## **Lockdown Ends, School Resumes Monday 23<sup>rd</sup> November**

Dear Parents and Caregivers,

The Premier has announced today that schools can resume on Monday and as such all staff and Middle School students can return. I realise it has been a very hectic week with many changes as the situation in relation to the current outbreak has unfolded. We still have 2 weeks of school and as such it will be great to see all our Middle School students return. Some important points:

- Middle School Examinations are still cancelled.
- The normal timetable will continue for the last 2 weeks
- The last day for students is Friday 4<sup>th</sup> of December and we will finish at 12pm.
- Subjects that had exams may use aspects of those exams as a class test during lesson times.
- There will be Awards Assemblies to recognise the achievements of our students in each year level. These will occur during school time.

I have really appreciated your support and the attitude of the students during this difficult time. I am looking forward to the school year finishing well despite what has occurred. I pray for God's covering over all our families and trust we can all enjoy a very much deserved holiday break.

Yours in Christ,

Marcel Rijken
