

## MIDDLE SCHOOL EXCURSION

### **BELAIR NATIONAL PARK – ADVENTURE PLAYGROUND**

**Friday Week 1 (05/02/2021)**

We are going to have a day of new adventures, competition, and food, mixed in with time to chill with your fellow middle schoolers.

We will be hopping on a bus and leaving by 9am heading up to Belair National Park. Be at school punctually at 8:45am as usual and meet out the front of the school. Wear suitable casual clothes for being outdoors with enclosed sports shoes.

The morning activity will be our first house group competition for the year. As small teams, you'll be exploring and discovering in attempt to complete the challenge faster than the other houses.

A scrumptious lunch will be provided. Your care group teacher will be asking if you have dietary requirements.

After lunch, there will be time to reconnect with your classmates and fellow middle schoolers. You can chill on the adventure playground, organise a bit of sport, complete a second house challenge or even go for a walk (provided you can twist a teacher's arm to go with you).

We will be heading back to school on the bus at 2:30pm in time for the normal end of school time of 3:20pm.

If you have any questions, you can ask your care group teacher or Mr Western ([brett.western@tcc.sa.edu.au](mailto:brett.western@tcc.sa.edu.au))

#### **WHAT YOU NEED FOR THE DAY:**

- SunSmart casual clothes suitable for outdoors
- Enclosed shoes
- SunSmart hat or school hat
- Small backpack
- Food for recess time
