A morning and afternoon school drop off zone which is located on Henley Beach Road operates between 8am and 9am and 2.30 and 3.30pm Monday to Fridays' during the school term.

Please note:

- NO CARS are to be parked within this drop of area BETWEEN 8am to 9am and then 2.30pm to 3.30pm.

As parking restrictions are imposed by Council at and near schools to ensure a safer environment for all children and to optimise traffic safety, it is important to draw visitor attention to the following Traffic Guidelines:

No Parking Zones – these are usually located in the surrounding streets of most schools. Two rules apply:

Rule one - The two-minute rule - The vehicle can only remain in the zone for two minutes. A time limit longer than two minutes may apply, but only when the sign displays a time limit.

Rule two - The three-metre rule - If leaving the vehicle to load or unload, the driver must remain within three metres of the vehicle. Note: drop off/pick up times on signs may vary.

No stopping allowed at any time if there is a yellow line

No stopping zones - are not to be used at any time for stopping, parking, dropping off or picking up students or other passengers. No stopping zones are designated by signs and/ or a continuous yellow line marked on the edge of the road. They are located near schools for student and driver safety.

Bus Zones - are for public buses.

The driver of a private vehicle cannot stop in a bus zone at any time.

Speed in school zones - drivers must slow their vehicles to 25 km/h in a school zone when a child is present.

If you have any questions regarding physical and parking access to either the Administration Office or the Student Services Office, please contact the school on 8405 0900.
