Please be aware that if your child does not return a signed consent form, found in their diary, they will not be allowed to attend these excursions and this will affect their practical grade. A diary note or signed piece of paper will not be accepted for any of these excursions.

## Consent to watch Film

Part of our Sport and Recreation course this year is looking at two amazing stories of survival in extreme circumstances. The first is the story of Louis Zamperini who survived a plane crash and a Japanese war camp during WW2. The second is that of Aron Rolston who is forced to cut off his own arm after getting trapped in a rock fall. I would like to show the students the film based on this moment called 127 Hours. This film has an MA rating due to gory nature of the arm cutting scene and some minor swearing. If you feel uncomfortable with this scene we can arrange for it to be skipped.

If you consent to us watching this film, please sign below.
