Alternative Schooling arrangements are negotiated with the Campus Deputy Principal Curriculum (Mile End) and the Assistant Principal Curriculum (Paralowie) and the VET Co-ordinator.

Students must abide by guidelines put in place by the School to ensure their attendance records are correct and all requirements of curriculum are met.

The VET Co-ordinator and Student Services Office must be advised in writing if a period of exemption from studies is required due to extra VET requirements.

Consent for this activity must be in place before the commencement date of the period of exemption from studies.

All Year 11 students undertake Work Experience, commonly scheduled for the last week of Term 2.

In special circumstances Year 11 students may undertake Work Experience at other times but approval must be given by the Work Experience Co-ordinator and written notice submitted to the Student Services Office.
