

Setting good homework habits in the middle school, will prepare students for success in the senior years.

Homework is set as an extension of the learning done in class. Set homework activities could be:

- Completing class work
- Preparing for a future lesson
- Working on an ongoing assignment /project
- Revision of work covered in class

This Homework Timetable is a guide only. It gives an overview the subject and amount of homework to be done each night.

The class **teacher** will write specific homework instructions in SEQTA. Students are responsible for ensuring all set homework is completed.

If **students** require additional help to complete their homework, this is available every Thursday from 3.15 – 4.00pm in the Loft.

If homework is not completed, this will be recorded in SEQTA. Guardians will be notified. If a student receives **3 homework notifications** in one term, they will be required to attend Homework Centre on a Thursday after school until 4.00pm. If there are any questions or concerns about homework, they should be directed to the subject teacher.
