School Fee Concessions

Our passion at Temple Christian College is to provide a quality and affordable experience for every student seeking an authentic Christian education. Fee concessions are available to families who consider they cannot meet the payment of full fees. A Fee Reduction Application Form is available from the Campus Office.

If you were previously approved for School Card or if you are solely dependent on Centrelink benefits, you are strongly encouraged to apply for fee concessions.

When assessing for fee concessions, eligibility is generally based on the household income, but many other factors such as the number of children are also considered. There is no income limit as such but as a rough guide, a household income of up to \$80,000 would be considered for a single student. If your income is around this amount or higher and you have more than one child at Temple then you are welcome to apply as you may be eligible also.

The following table gives an indication as to how our fee concessions may impact annual school fees:

Example of Annual School Fees for a single student following concessions.

Year Level	Gross Family Income less than \$40,000
Year 7	\$3,000 - \$4,000
Years 8 to 11	\$3,200 - \$4,500
Year 12	\$3,300 - \$4,600

If you would like to request a Fee Reduction Application Form please contact our Campus Finance Department at Paralowie on 8256 9631 or email accounts.receivable@tcc.sa.edu.au

Please Note: A new application form for Fee concessions is required each new school year.

EXPLANATORY NOTES

BUILDING FUND DONATIONS

To help us maintain and develop school facilities for our students, each family is requested to contribute to the school's Building Fund on a voluntary basis.

While the set donation of \$240 per family (\$60 per term) will be most beneficial, all monetary donations are gratefully received. All Building Fund donations are tax deductible and contributions can be made along with fee payments.

TEXTBOOK HIRE (INCLUDED IN FEES)

The hire of textbooks (property of the school) is included in the Annual School Fees. Some textbooks are made available online and can be accessed on student laptops.

The replacement cost of textbooks that are damaged or unreturned at the end of the school year will be charged to the school fee account.

LAPTOP HIRE LEVY (INCLUDED IN FEES)

Year 7 to 12 \$400 per year

All students are allocated a laptop on a hire basis calculated over a period of 3 years, the cost of which is included in the Annual School Fees. The laptop remains the property of the School and is to be returned when the student leaves.
