## Calculating Family Payments

Our Annual School Fees featured above represent the Year Level Fees that will apply to students attending Temple Christian College in 2024 before any discounts or fee concessions have been applied.

Contained within this document is the important information that will help you calculate your total family Annual Fee Payment for 2024.

## Multiple Sibling Discount

### Temple Christian College & Bethany Christian School

The following Multiple Sibling Discount is applicable to Temple Christian College families who have more than one child enrolled at Temple Christian College and Bethany Christian School in 2024. The discount applies to the total annual school fee for each student across both schools.

Families with 2 students.....	20%
Families with 3 students.....	30%
Families with 4 students.....	40%
5th & subsequent students .....	50%

## Annual Fee Payment Discount

A settlement discount of 5% applies if the Annual School Fees are paid in full by 9 February 2024, providing there is no outstanding balance from the previous year.

## School Fee Concessions

Our passion at Temple Christian College is to provide a quality and affordable experience for every student seeking an authentic Christian education. Applications for fee concessions are available to families who consider they cannot meet the payment of full fees.

If you were previously approved for School Card or if you are solely dependent on Centrelink benefits, you are strongly encouraged to apply for fee concessions.

When assessing for fee concessions, eligibility is generally based on the household income (which includes Centrelink benefits) but many other factors such as the number of children are also considered.

There is no income limit as such but as a rough guide, a household income of up to \$80,000 would be considered for a single student. If your income is around this amount or higher and you have more than one child at Temple then you are welcome to apply as you may be eligible also.

Example of Annual School Fees for a single student following concessions:

YEAR LEVEL	Gross Family Income less than \$40,000
Year 7	\$3,400 - \$4,200
Year 8 to 11	\$3,500 - \$4,500
Year 12	\$3,500 - \$4,600

If you would like to request a Fee Reduction Application Form please contact our Campus Finance Department at Paralowie on 8256 9632 or email fees@tcc.sa.edu.au.

Please note: A new application form for Fee Reduction is required each new school year.

## Explanatory Notes

### BUILDING FUND DONATIONS

To help us maintain and develop school facilities for our students, each family is encouraged to contribute to the school's Building Fund on a voluntary basis.

While the set donation of \$240 per family (\$60 per term) will be most beneficial, all monetary donations are gratefully received. All Building Fund donations are tax deductible and contributions can be made along with fee payments.

### TEXTBOOK HIRE (INCLUDED IN FEES)

The hire of textbooks (property of the school) is included in the Annual School Fees. Some textbooks are available as a digital resource and can be accessed on student laptops.

The replacement cost of textbooks that are damaged or unreturned at the end of the school year will be charged to the school fee account.

### LAPTOP HIRE LEVY (INCLUDED IN FEES)

All students are allocated a laptop on a hire basis calculated over a period of 3 years, the cost of which is included in the Annual School Fees. The laptop remains the property of the School and is to be returned when the student leaves.

YEAR LEVEL	Laptop Hire Levy (per year)
Year 7 to 12	\$440

### EXTRA CHARGES

Additional charges may be applicable for the following:

- Stationery pack (booklist)
