# TEMPLE AND BETHANY TRAFFIC MANAGEMENT PLAN

## Keeping Our Children Safe while Reducing Congestion is OUR priority.

Temple Christian College and Bethany Christian School have developed a joint traffic management plan to improve safety and ease congestion during drop-off and pick-up times.

Based on traffic surveys, we'll be using all pick-up/drop-off zones more efficiently and staggering pickup times. Key concerns that we are looking to avoid include **unsafe U-turns**, **cars entering residential driveways**, **students crossing busy driveways**, and **unsafe drop-off areas**.

**Please refer to the relevant Kiss & Drop family options and traffic flow map provided, to understand how to best use these zones**. We appreciate your support as we develop new routines. Please review the plan and discuss with your family so that children clearly understand their new pick-up zones and times.

**Important Note:** Temple students are only to enter the Bethany Campus to drop-off or pick-up a sibling attending Bethany. Temple students will exit through the Temple Countess Street gate only and use the crossing as needed.

# KISS & DROP FAMILY OPTIONS

### TEMPLE ONLY FAMILIES

Pick up and Drop off Zones - **Temple Countess Street** or **Temple Turning Circle Kiss & Drop**

- Recommended pick-up: 3:00pm (Before the Bethany pickup time 3:10pm)
- Temple students are only to enter the Bethany Campus to drop-off or pick-up a sibling. Temple students will exit through the **Temple Countess St gate** only and use the crossing as needed.

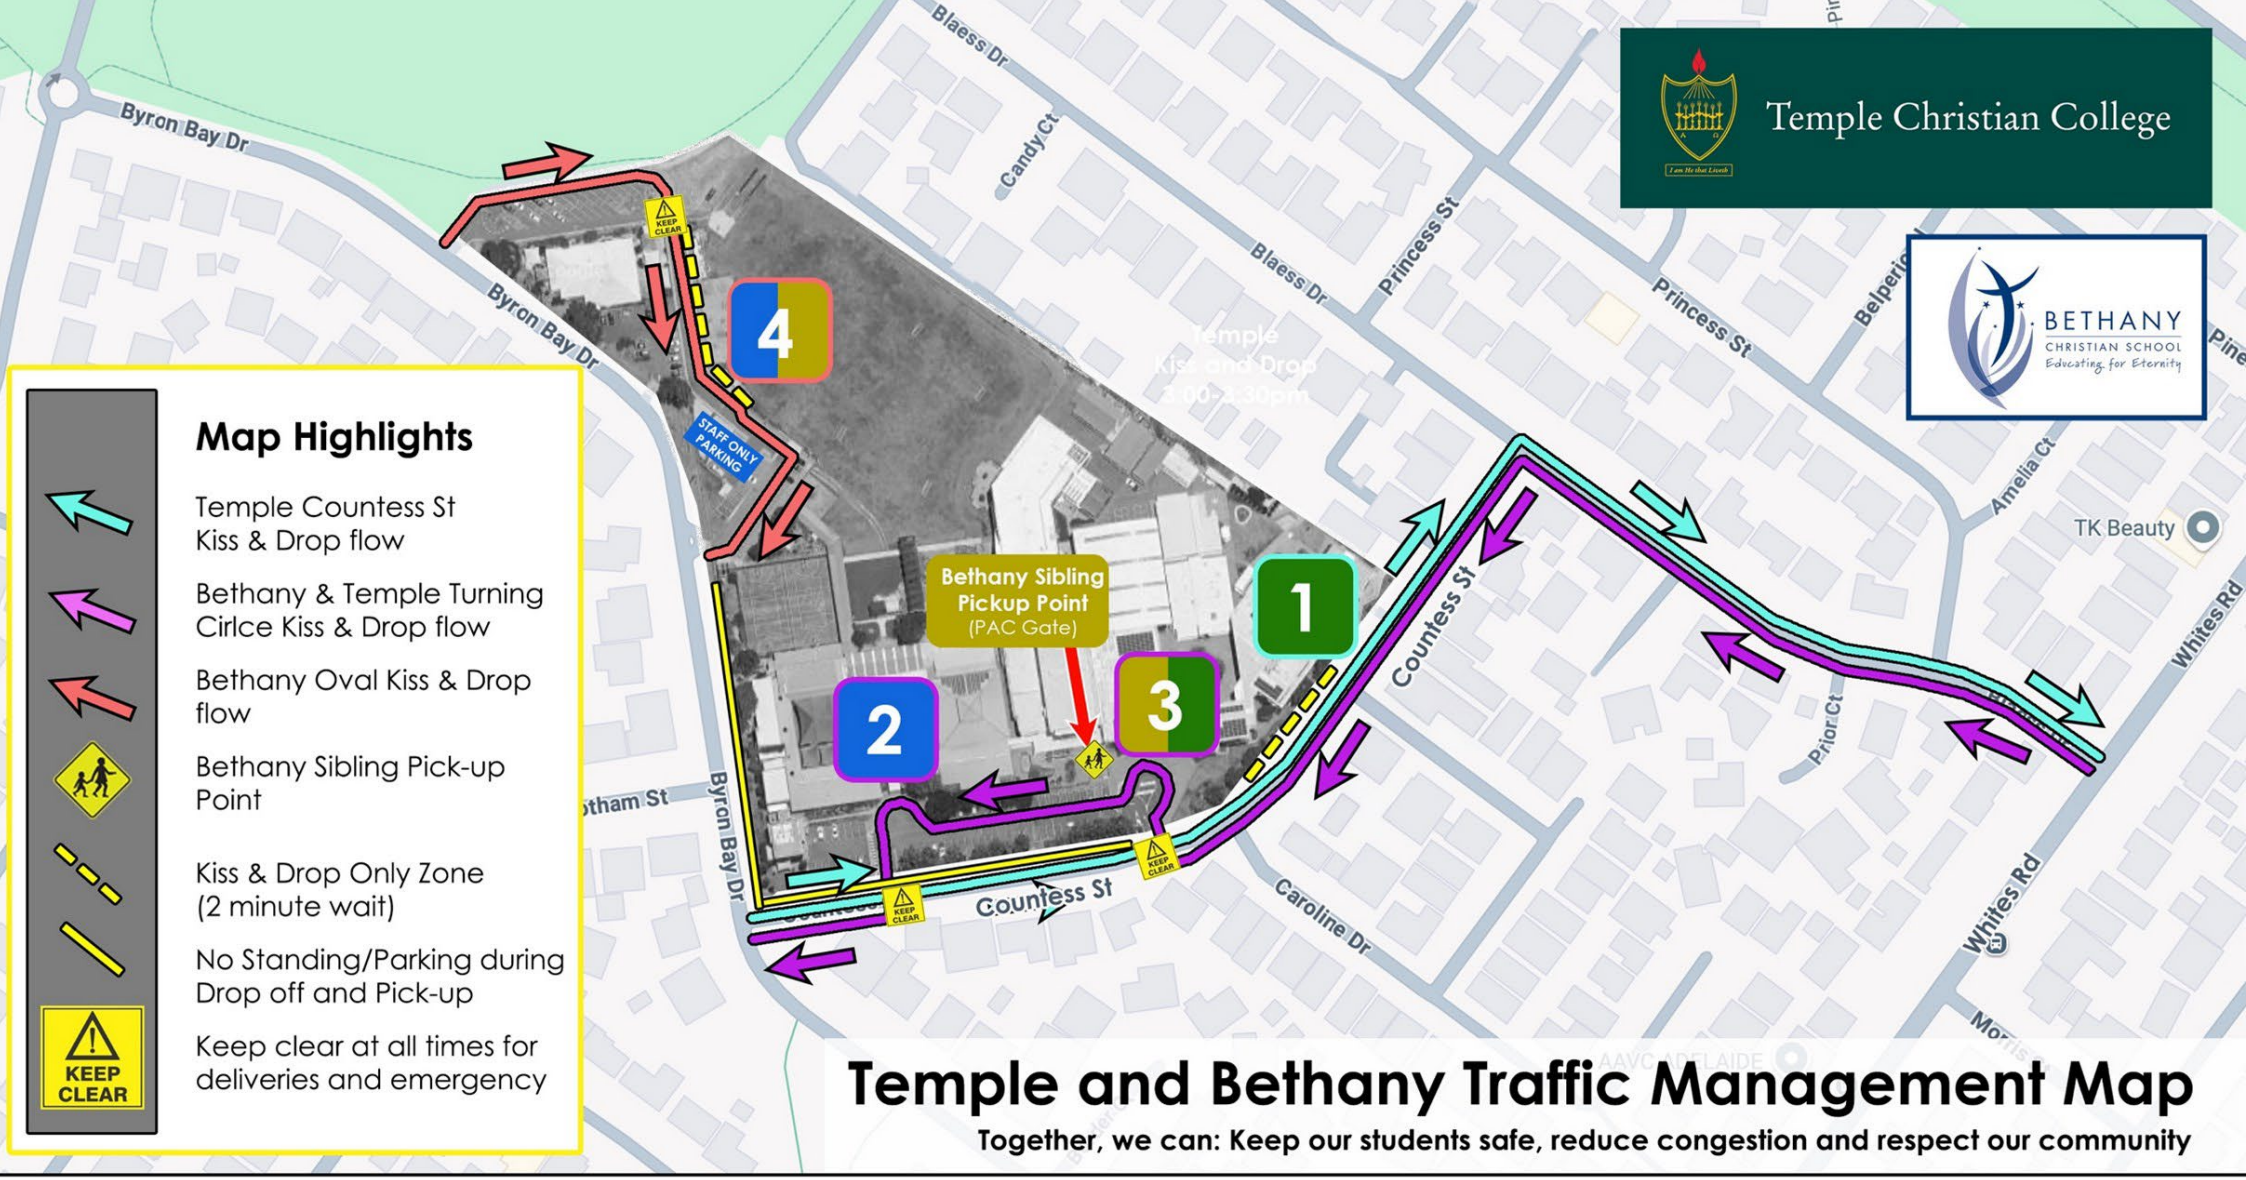
| COUNTESS STREET KISS & DROP (Preferred) | TEMPLE - TURNING CIRCLE KISS & DROP |
|---|---|
| • Temple students exit through the Temple Countess gate and walk up to the end of the Kiss & Drop<br>• Drive all the way down to the pick-up point allowing the queue to move forward and fit more cars.<br>• Continue driving round the block to Whites Rd (No U-turns permitted) | • Students walk to Temple Turning Circle after school<br>• Please don't wait in the carpark or turning circle until 3:00pm as the traffic needs to keep flowing for deliveries, staff access and Student pick-ups<br>• Use left lane to pass Bethany traffic flow<br>• Only right turns on to Countess St when exiting |

### TEMPLE & BETHANY SIBLING FAMILIES ONLY

Pick up and Drop off Zones – **Temple Turning Circle Kiss & Drop** or **Bethany Oval Kiss & Drop.**

- Where possible, please arrange for pick-up after 3:20pm as it will take time for siblings to assemble at the chosen area.

| TEMPLE - TURNING CIRCLE KISS & DROP | BETHANY - OVAL KISS & DROP |
|---|---|
| • Temple Students wait and pick up younger siblings from **PAC gate pick-up point**<br>• Bethany teachers will supervise Bethany students on duty at the PAC gate pick-up point<br>• Parents pick up from **Temple Kiss & Drop**<br>• Recommended pick-up: 3:20pm | • Temple Students Walk through the **PAC gate** (only if they have a sibling to collect)<br>• Temple students pick up sibling from class and walk together up to the Bethany Oval Kiss & drop for pick up via the oval walkway<br>• Recommended pickup: 3:20pm |



# Temple and Bethany Traffic Management Map

**Together, we can: Keep our students safe, reduce congestion and respect our community**

## 4 Kiss & Drop Zones

1. **Temple - Countess St (Temple students only)**
   **8-8:30am & 3-3:30pm**
2. **Bethany - Turning Circle (Bethany students only)**
   **8-8:45am & 3:10-3:30pm**
3. **Temple - Turning Circle (Temple students and Bethany siblings)**
   **8-8:30am & 3-3:30pm**
4. **Bethany - Oval Kiss & Drop (Bethany students and Temple siblings)**
   **8-8:45am & 3:10-3:30pm**

## Kiss & Drop Instructions:

- Drive all the way down to the pick-up point to fit more cars
- 2 minutes maximum waiting

**(If your child is running late, please complete a lap of the block or find a carpark)**

- Please don't arrive to the Kiss & Drop zones before the designated times - 3pm (Temple) 3:10pm (Bethany)

**(We need free flowing carparks for deliveries, staff access and other services)**

- Please stagger pick-ups where possible
- No U-turns or turning into driveways
