

Dear Temple Family,

As Term 3 gathers momentum and our senior students begin their end of year preparations, we would like to take this opportunity to outline some exciting new events. This will enable the school to proceed with end of year celebrations for 2020 in a COVID-19 safe environment.

We are so thankful for your ongoing faithful support of the school community as we continue to navigate the uncertainties surrounding COVID-19 and the restrictions on social events and trust that you will join us in supporting the necessary changes that we have had to put into place.

I have had to make the tough decision that we are unable to proceed with our annual Presentation Night for this year. It has been disappointing as it is a highlight for the year and part of the Temple tradition. There are many essential aspects to the Presentation Night that we still want to recognise and celebrate, but these aspects will now be over a few different events. Our team has thoughtfully developed an impressive calendar of events that will allow all students and families to celebrate the school year achievements across all Year Levels.

While further information regarding these events will be provided closer to each event, outlined below summarizes the end of year events for your diary.

This event is only for students and staff.

This event will be held at the school Monday, 30 November, 2020, and will be attended by all staff and students in Year 7 to 10.
